

**THE
GOOD LIFE
BUILDERS**
STOP DREAMING, START BUILDING

Board Decision Making Framework

1. What is the decision to be made?
2. What is [person with disability's name] will and preference?
3. What steps have been taken to understand their will and preference?
4. What legislation is relevant to this decision?
5. Does our constitution have any guidance on making this decision?
6. Are there any relevant policies to guide our decision?
7. What are the possible solution options?
8. What are the pros and cons of each option?
9. Are there any risks to the good life of the person with any of these options?
10. Are there any conflicts of interest and if so how should we manage them?
11. Are there any external experts we should consult in order to make this decision?
12. Is there any further information we need to make this decision?
