# **WHAT IS A CIRCLE OF SUPPORT? EASY READ**

This document is about  
Circles of Support

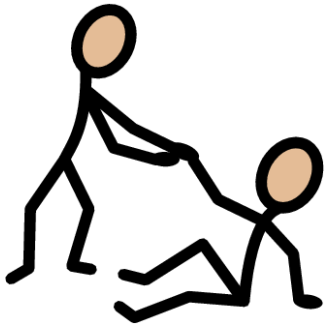

A circle of support is a  
group of people

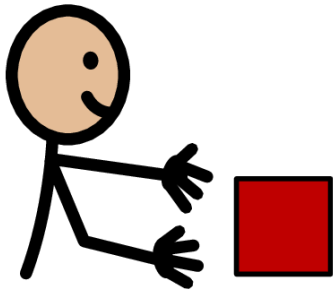

The people are your friends

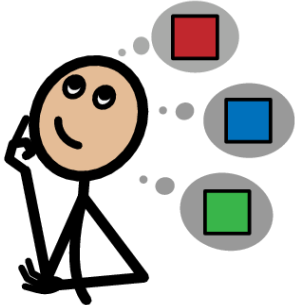

The circle members meet  
with you

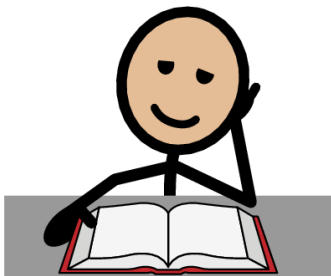

The circle members want to help you

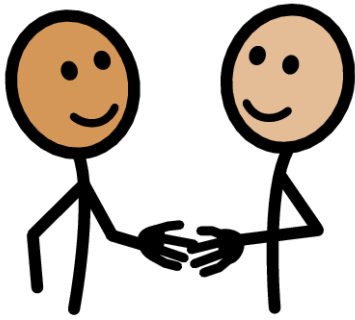

They can help you do the things you want to do

They can help you to make decisions

They can help you to learn new things

They can help you to make  
new friends

Circles of support are fun

They don't make you do  
anything you don't want to  
do
